

# *Hear ye, hear ye!*

M'ladies and m'lords traveling from kingdoms near and afar - knights of construction improveth the infamous Interstate 25 from the land of Castle Rock to the village of Monument.

Brave steeds and royal carriages shall rideth at no more than 65 miles per hour. Jokers who get caught by constables exceeding 65 miles per hour shall be pelted with tomatoes in the town square and punished with hefty fines.

**Plan ye time!** It may taketh 15 to 30 extra minutes to get to the festival in case of backed up carriages or jousting collisions on the corridor. Knoweth what the knights of construction buildeth before you bid farewell on your journey.
